As my patient(s), you are welcome to come with me to this new clinic location. I will be training medical students and residents so you will see learners as part of your new care team. I appreciate that this does not suit everyone. If you would like more information about what a teaching clinic looks like, I invite you to learn more at:

<https://calgaryfamilymedicine.ca/clinics/index.php/about/teaching-clinic>.

I understand that you may not feel comfortable at a teaching clinic or may prefer to stay at Seton Family Healthcare clinic for other reasons.

If you would like to stay at Seton Family Healthcare, there are some doctors still accepting patients.

Please respond as soon as possible (phone call/email is fine):
